

HOST FAMILIES NEEDED!

Open your home to a young Basque visitor, summer of 2017

We are organizing a cultural exchange program whose purpose is to bring Basque youths to the United States for approximately four weeks starting in late June/Early July, 2017. This program will be open to Basque teens from the ages of 13 to 15, from all walks of Basque life, from any of the seven provinces. We are starting our family search now, prior to kicking off our promotion campaign in

Euskal Etxeas, Ikastolas and other centers of Basque culture in the Basque Country. Registration of your family can be done by filling in a web form, to be followed up later with a phone interview and visit to your house by our U.S.-based representatives.

While all families are encouraged to apply, priority will be given to families who with children of a similar age, and who can provide accommodation in a single room or sharing with a host sibling of the same age and sex. In addition to an enriching experience, host families will receive a small weekly supplement to cover the expenses of having an additional guest in the house.

In order to apply, visit our Facebook page (see below), look for our announcement, and click through the link to the web form, or send us an e-mail and we will respond with the link. Feel free to e-mail or call with any questions prior to deciding if this program is right for your family.
